## Newsletter #40a – and a message for our Auckland and Hamilton supporters

Welcome to newsletter 40a. Here is a link to [previous newsletters](#).

I (Don) will be in Auckland attending [the Step it UP event](#), a conference on building systemic change, on the 29th and 30th November.

I have time available on Friday evening to do a presentation on Positive Money to your community or business, group and or friends. [Let me know](#) if you would like to take up the offer.

I will also be holding a meeting on Saturday evening to create Positive Money New Zealand support groups in Hamilton and Auckland at a venue to be decided. To achieve our goal of the Reserve Bank creating our money supply and banks operating at 100% reserve we need your active support.

[Let me know](#) if you would like to attend and I will provide you with the details.

Cheers

Don Richards and Sue Hamill
